# THE EDITORS SPEAK

Mrs. Idyla Etelman, Literary Adviser; Miss Elizabeth Ellard, Business Adviser.

Our 1961 TIDE is the record of our Senior year, the important year in which "we have learned to be citizens of the world, members of the human community." World progress and modernization insist that we progress and modernize. The staff has streamlined many of the book's pages. Discarding old-fashioned methods, adopting new techniques, we have attempted to include all aspects of our school life: curricular and co-curricular activities.

We hope that the school and town communities will like the revised format.

Of all those who have helped us we would like to thank especially Mr. Idyla Etelman, Literary Adviser, and Miss Elizabeth Ellard, Business Adviser.

# DEDICATION

Humor, kindness, warmth, and sincerity are ingredients of true friendship--and these are the qualities of two men who have taught us and associated with us, not only as teachers, but as friends.

Mr. Harold Scott, our freshman adviser, our wise man of numbers, worked with us in our freshman activities and helped us to adjust to the exciting, confusing new ways of high school. He is a true friend, always at hand!

Mr. Harold Scott

Mr. Richard Deasy, our friend and philosopher, a wise man of letters, exemplifies the high ideals of industry with his intense application to every problem.

These two men have had an important influence on our school lives, and so, in thanks and gratitude, we dedicate to them our 1961 TIDE.

Mr. Richard Deasy

# ADMINIS

## THE SCHOOL BOARD

Mr. Ellis, C. Rand, Mr. John M. Nagle, Jr., Mrs. Elizabeth S. Hatch, Mr. John T. Heald, Mr. William C. MacDonald.

Learning to be citizens of any community, whether it be the community of the world or members of the human community, is part of the growing-up process. Each young person learns more readily through examples set by responsible dedicated people of the established community in which he lives. Our school board members are such individuals. They give of their time, energy, and initiative to serve the youth of our town. Through this service, they set the direction and pace for future town leaders. To them are we, the members of the Senior Class, duly grateful for all they have done to make our school years in Marshfield happy, constructive, and fruitful.

Thank YOU and YOU and YOU!!

# TRATION

Mr. Edwin A. Martinson, Superintendent

Mr. James P. Romeo, Principal

The rapport which exists between a community and its school administrative officers is a decisive factor in the success of its schools' student bodies. Fortunate are we, the students of Marshfield High, that our administrators, Superintendent Edwin Martinson and Principal James P. Romeo, work devotedly in our behalf. Their interest covers every phase of our school life: academic, social, athletic, and moral. These two able and admirable men give us, however, more than their interest; they work with us in person as well as in spirit. It is through them and our teachers that we learn how to deal with problems, how to accept responsibilities, and how to face the world community.

# FIELD HOCKEY

The M.H.S. field hockey team completed a successful season this year winning 8, tying 2, and losing 1 game. Seniors Gretchen Thomas, Joanne Shepherd, Ellen Houghton, Pam Smith, Deb Mitchell, and Carol Morrow predict that next year's team will bring to the school many victories. Although they lost the championship this year, the team feels confident that it will regain the title next year. Many thanks to our coach, Miss Vanasse, who spirited us to our victories.

# BOYS' BASKETBALL

Coach Erickson and Co-Captains Roger Studley and Marshall Davis discuss a coming game.

## Marshfield Tops Cohasset Early;

**Marshfield 87. Cohasset 44**

A first-quarter press allowed Marshfield to break its game with Cohasset wide open.

**With the aid** of that manuever and the scoring of Marshall Davis, the Rams opened up a 25-9 first period lead. Coach John Erickson called off the press at that point, but Marshfield continued to roll.

Davis scored 14 of his 23 points in the opening eight minutes.

Paced by Andy Mercer and Pat McCarthy, who scored 14 and 12 points, the Skippers drew a little closer in the early minutes of the second quarter, but Marshfield found the range again and had a 44-25 lead at halftime.

**A 26-point third** period gave Erickson a chance to use his substitutes. Playing a portion of the third and all of the fourth quarters, the young Rams did an excellent job. In the last eight minutes they outscored Cohasset, 17-11

# GIRLS' BASKETBALL

The girls' basketball team started the year off by electing seniors Gretchen Thomas and Pat Doherty as co-captains. In the early part of the season they surprised themselves by beating their rival, Scituate, by 11 points after losing to their other rival, Duxbury. The season was mainly a victorious one, and Coach Vanasse hopes to have another good team next year since she will lose only three seniors: the co-captains and Donna Hynes.

# BASEBALL 1960

Last year Coach Reed predicted a successful 1960 baseball season because many of the players were returning. The prediction proved to be true since the team won nine games and lost only three. Co-captains Neville Fletcher, Ed Fonseca, and Robert Fernandes, along with William Davenport, were the four graduating seniors, leaving eight lettermen to carry on the 1961 team. Again Coach Reed and Coach Erickson look forward to a successful season, since they will field the experienced lettermen plus a number who have played in several games.
